

# PASTORAL ANNOUNCEMENTS

Dear Parishioners,

In October you were informed of my 6 year renewal as Pastor for our parish. There were evaluation forms online and in the Parish Office. The process ended October 31<sup>st</sup>.

In November I met with two Diocesan Priests to go over the results of your evaluation of me as Pastor. The results were outstanding! I sincerely appreciate your thoughtful remarks and recommendations. These recommendations have already been acted upon.

I thank all who participated and also Fr. Jose, who supports me so much. Together we do our best to serve your needs as parishioners.

It is my intention to ask to be renewed for another six year term, but remember I serve at the discretion of our Bishop.

Fr. Jim

## Christmas Customs From Around the World The Breaking of the Oplatek

One of the most ancient, beautiful and most revered Polish customs is the "breaking of the oplatek." The use of the Christmas wafer (oplatek) is practiced not only by native Poles in Poland, but by people all over the world whose ancestors came from Poland. The "oplatek" is a thin wafer, made of flour and water. It is white and often embossed with Christmas related religious images, varying from the nativity scene, especially Virgin Mary with baby Jesus, to the Star of Bethlehem. Its tradition comes from Poland and Eastern Europe.

Before partaking of the Christmas Eve or Christmas Day meal, the family gathers around the table. The eldest member holds a large wafer and breaks off a piece to begin the ritual. The remaining wafer is passed on to another member while a prayer for loved ones, living and deceased, is said. This continues until everyone at the table has a piece of the wafer. Finally, the family members consume their share quietly.

The Christmas wafer symbolizes the unity of the family, which many consider to be the main pillar of society. According to beliefs, the bond of unity should exist between family members. The father is seen as the link in the unbroken chain of One Body, One Bread, One Christ, and One Church, while other family members join him in this eternal procession. The wafer also symbolizes forgiveness and reconciliation.

It comes in a decorative envelope that explains the custom. **If you would like an Oplatek, there are still some available in the Parish Office.**

## BLESSING OF A CHRISTMAS TREE

The use of the Christmas tree is relatively modern. Its origins are found in the medieval mystery plays that depicted the tree of paradise and the Christmas light or candle that symbolized Christ, the Light of the world. According to custom, the Christmas tree is set up just before Christmas and may remain in place until the Solemnity of Epiphany. The lights of the tree are illuminated after the prayer of blessing.

In the home the Christmas tree may be blessed by a parent or another family member, in connection with the evening meal on the Vigil of Christmas or at another suitable time on Christmas Day.

## CHRISTMAS TREE BLESSING

Dear God, two thousand years ago, you brought your son, **Jesus** into this world to teach us the power of love and sacrifice. As we raise this tree, we remember his birth and the meaning of his **life** for us. Bless this tree as a symbol of our celebration of Jesus' birth and our gratitude for his sacrifice. May the joy this tree brings and the **gifts** we place under it remind us of the many gifts you have given us. We ask your blessings upon our loved ones, this day and always. Amen.

## FAITH FORMATION Child Lures Prevention Program

Will be presented through the month of December

The Diocese of Camden has selected Child Lures Prevention as a safe environment program for our religious education programs in the parishes. The basic premise is that an individual who intends to harm a child uses a "lure" to get the child away and to do harm. So, children are taught how to recognize lures and how to protect themselves.

Each year your child will be taught a different lure. The Diocese of Camden is committed to ensure that the children entrusted into our care are safe and that we provide them with the tools they need to guarantee their safety.

If you do not wish your child to participate in the session, please let Cathy Sheridan know immediately at 856-767-1537. If you have any questions about the program, please do not hesitate to call me for further information at 856-756-7900 ext. 6010.
