RELIC OF SAINT SIMON STOCK

Dear Parishioners,

A few months back, a Mr. Joseph Betz presented me with a first class relic of Saint Simon Stock. It had previously belonged to his Uncle, Father Peter Thomas Beck, O. Carm. Father was a Carmelite Priest and while on studies in Rome, he was given a relic of Saint Simon Stock by a brother Carmelite Priest. This was in 1934.

Saint Simon Stock was a Carmelite Priest and in a vision, the Mother of God appeared to him with the Scapular of the Carmelite Order in her hand. This Scapular she gave Simon Stock with the words, "this shall be a privilege for you and for all the Carmelites, that anyone dying in your habit shall be saved".

In Ireland, it was a tradition to be buried with the Scapular and Carmelite Habit.

Mr. Betz also gave to me the Certificate of Authenticity dated in Rome, November 1934, stating the Relic to contain "Ossibus S. Simonis Stock" the bone of Saint Simon Stock.

This Holy Relic will be revered every Wednesday, following the daily Mass. I would like to thank Mr. Betz for the privilege of giving us this sacred relic for the spiritual growth of our Parish. St. Simon Stock/ Our Lady of Mt. Carmel/ St. Edward pray for us.

STEWARDSHIP

STEWARDSHIP

Stewardship Lifestyle

"The seed sown among thorns is the one who hears the word but then the cares of the world and the lure of riches choke the word and it bears no fruit." – MATTHEW 13:22

Does the lure of riches and material goods choke God out of your life? Are you so caught up in worldly activities that you have no time for God? **Stewardship** is a lifestyle to be lived every day. It effects all the decisions we make. What we receive at Mass every Sunday should be shared with others all the other days of the week.

Our Lady of Mt. Carmel Preschool

OPEN ENROLLMENT!

Our program welcomes children who will be three or four years of age by September 30 of each year.

The program at OLMC Regional Preschool is a child-centered, developmentally appropriate, faith-based curriculum rooted in the belief that play is the best method for children to learn. Our approach is individualized to meet each child's needs and interests.

Each classroom is organized with centers for creative arts, literature, pre-math, pre-reading, and pre-writing skills. Cognitive visual materials complement the wealth of small and large motor muscular development. The classrooms' environments are planned to stimulate imagination and creativity.
